PROJECT & PROJECT LINES

Created with versatility in mind, the Project Collection is a hard-wearing and highly functional nylon carpet tile collection that boast a Class 33 Heavy Contract Wear warranty and is castor chair approved for busy office spaces or communal areas that endure heavy traffic usage, such as retail, education and hospitality.

The portfolio is made up of two carpet collections in a total of eight colourways that are designed to fit seamlessly together. The plain loop and line ranges are manufactured from the same colour yarns to work perfectly in harmony together, so that you can more effectively combine complementary up-to-date colours.

- **Solution dyed Nylon**
- **European manufactured**
- **24dB impact rating**
- **Castor chair suitable**
- **8 popular commercial colours (4 solids and 4 stripes)**
- **10-year wear warranty**
- **Bitumen-back with glass fibre interlay**
- **500mm × 500mm tile size**
- **250mm × 1000mm planks available as a special order 250m² MOQ**
